

UC Master Gardeners of Napa County
ucanr.org/sites/ucmgnapa/
and
the Town of Yountville
present a workshop:

Small Home Vineyard

Saturday, March 29
Yountville Community Center
6516 Washington St., Yountville
Morning - Basics of Growing: 9:30 - 11:30 am
Afternoon - Pest & Problems: 12:30 - 2:30 pm

\$15 for non-residents, \$10 for residents
Register through Yountville Recreation Department
(707) 944-8712

Morning session will focus on bud break to harvest in your vineyard. Learn the basics of managing a small vineyard including grape physiology, canopy management, vine nutrition, fertilization, irrigation and cover crop.

Afternoon session will focus on learning to identify and manage the most common pests in the vineyard especially powdery mildew.
Bring your questions.
