

**Home Vineyard – Part 2 Public Gardening Workshop by UC Master Gardeners
of Napa County** - Saturday, August 15, 2015, 9:30 am – 2:00 pm

What to do and what to look for and how to plan for harvest and crush in the vineyard, managing the vines after crush, and preparing for winter and the next growing season. A special team of home vineyard Master Gardeners will present this workshop and answer your individual questions.

Time includes a 30 minute lunch break.

Please bring a sack lunch, comfortable clothes and shoes for walking through the experimental vineyard.

UC Oakville Experimental Station
1380 Oakville Grade Road
Napa (Oakville)
