You are receiving this notice because you previously contacted the UC Integrated Grape Team of Napa County (UC IGT) in our office with your home grape-growing questions.

As a hobby vineyardist, we thought you would be interested to know that our office will soon begin producing an online newsletter for the hobby vineyardist. The *Hobby Vineyardist Newsletter* will provide you with announcements and upcoming educational events that may be of interest to you.

As a resource to you, the UC Integrated Grape Team of Napa County (UC IGT) is available to you for your hobby vineyard questions. The UC IGT consists of Yvonne Rasmussen, Master Gardener Program Coordinator; UC Master Gardener of Napa County volunteers, and UC Viticulture Farm Advisor, Monica Cooper.

If you would like to submit a question to the UC IGT, the following methods are available to you.

You can [submit your question](#) online or you can bring your question to the UC Cooperative Extension office and ask a UC Master Gardener of Napa County volunteer. Master Gardeners are available at an office Help Desk, Monday, Wednesday and Friday, 9 am to 12 pm.
